2013 - 2015   **mCarbon Tech. Innovation Pvt Ltd [TATA -USP]**   Noida, India
Sr. Production Support Engineer
- This project was made for TATA. Objective of the project is to provide an easy way to customers for subscribing/Unsubscribing any VAS easily.

2013 - 2014   **mCarbon Tech. Innovation Pvt Ltd [TATA -CCG]**   Noida, India
Sr. Production Support Engineer
- As per TRAI and Indian Operators' mutual agreement for a Consent Gateway to record the 2nd consent, for each VAS activation, by its consumer. Earlier, a single Confirmation is required for activation of a VAS by a consumer. Now, double confirmation would be required, and the second consent has to be taken by a third-party Consent Gateway.

2014 - 2015   **mCarbon Tech. Innovation Pvt Ltd [Airtel,Reliance,Uninor ,Aircel -Loan]**   Noida, India
Sr. Production Support Engineer
- This project based on providing loan facility to our customer as per their requirement. We provide loan to the customers when their balance gets low and then they ask for our different type of loan which we provide to them.
