Abstract

Your abstract text goes here. Your abstract text goes here.

Keywords: Your keywords goes here.

1 Introduction

2 Footnotes, Verbatim, and Citations

Footnotes should be places after punctuation characters, without any spaces between said characters and footnotes, like so.¹ And some embedded literal code may look as follows.

Theorem 2.1. Theorem, Theore

Proof.	Proof, Proof, Proof	, Proof, Proof, Proof, Pr	oof, Proof.	
--------	---------------------	---------------------------	-------------	--

Now we're going to cite somebody.	Here it comes [1] and [2].	Please use icamcs.bib to write you	ur
bibliography.			

licames;22		

Figure 1: Vectors.
