## **ABSTRACT**

The abstract should briefly tell the reader what the dissertation is about. It is a concise summary of the important points of the report. The student should summarize the key points of the document, including the problem, the research question, the methodology, and the results. The abstract should be about 400 words and should not exceed more than two pages. It is recommended that you write the abstract after you have completed your report.

# Chapter 1

## Heading of Chapter 1

Hello, this is a template L<sup>A</sup>T<sub>E</sub>X recommended by the PH.D. Cyber Operations program at Dakota State University for submitting Dissertation Proposal Defense.

We recommend using IEEE (Institute of Electrical and Electronics Engineers) style for citations. This is how an interesting paper to cite looks [1].

### 1.1 Introduction
